Xerox® Quick Link App

Quickly connects your peripheral devices to your printer so you can print with ease.

Connect with Quick Link

Easy to connect. Fast to print.

With the Xerox® Quick Link App on your Xerox® ConnectKey® Technology-enabled devices, you can quickly connect to your laptop, desktop computer or mobile device through a simple email or QR code scan.

36,500,000 search results appear on Google for "printer driver installation issues." The Xerox® Quick Link App helps eliminate the headaches.

An easier connection from computer to printer — no confusion or complicated setup.

Historically, connecting your device to a printer meant a call to IT. Today, connecting is simple with the Xerox® Quick Link App. It allows anyone to quickly print from any Xerox® ConnectKey® Technology-enabled device in just three easy steps.
